Museum District Woman's Club

Building relationships. Strengthening our community.

Letter from the President

Hello everyone, ladies of all ages in our neighborhood, I hope you are all having a beautiful Fall. With the weather changing back and forth, it's hard to know what to wear, but the changing trees are always so beautiful to look at. It is my honor to be President for a second year and we want to welcome all of you to join our club. We meet once a month and have interesting and fun activities each time, as you will see by looking at the great programs planned for this year.

I have lived on Kensington Avenue for 16 years and love our neighborhood. I love being able to go walk everywhere, to buy milk, go shopping, and go out to great restaurants. I really only knew a few neighbors before I joined MDWC. You'll see just as I did, that you meet so many new women, interesting people, who live near you, to have as resources and new friends. It makes our neighborhood a real community. It's so nice to be able to greet the people you see on the street. Our Club strengthens our community by building relationships. And we have fun!

Our First meeting was a great success. Thanks to Karen Tinsdale! We met at her beautiful house and we heard from Henry Reidy, from Strawberry Street Vineyard, 407 North Strawberry Street and enjoyed a prosecco and a red wine. He will give discounts if tell him you are a member of MDWC so go there for some nice wine. He also does tastings. He was really fun and we thank him for his time!

Please join us on October 21st, 2009 at 7:30 p.m. at 3310 Monument Avenue to hear Speaker – Delegate, Jennifer McClellan, ask any questions you may have, and drink some wine, eat goodies and meet new friends! We're going to have a great Fall so come join us next week.

Best Regards

Patricia Michelsen-King
